# footprints through time...

# What is your favorite L-R pastime?

My favorite pastime is going to basketball games. In those days, if you didn't get there 30 minutes before tip-off, you didn't get a seat. It was especially satisfying the way we handled ASU, no problem for the Bears in those days!

-John Huss, Class of 1974

Things were different in the 60's, as freshmen, we had to wear "beanies" for several weeks, distinguishing us as freshmen. Also, when a "sister" was pinned, the sorority and fraternity of the couple gathered at 11 pm in front of the girl's dorm and serenaded them. Then there were homecoming floats to build, not the quick and easy kind, but the kind where you stuffed yards and yards of chicken wire with colored toilet paper. I could probably think of many more, like the Volkswagen in the Rhyme front lobby!

-Sarah Wallace, Class of 1969

My favorite pastime as a student was finding a few minutes to be with family and friends. I had a husband and two small children as I was going through the full-time nursing program. Our nursing class was very close. We often had students in to our home for dinner and socializing. Our class is coming to our home the last weekend in October for its 30<sup>th</sup> reunion.

-Shirley Huffman, Class of 1971

I have fond memories of playing racket ball on Saturday mornings with Professor Karen Jackson at the Shuford Gym; racketball is good exercise and great stress relief for schedules filled with tests, term papers, and employment.

-Donna Bowman, Class of 1991

It was the many times I spent with my best friend, Anna Gurley ('01); laughing, playing cards, and growing closer to our wonderful Lord through our Bible studies on those memorable afternoons eating lunch. We had the time of our lives, forgetting about all the thing that was going on in classes and the craziness of life. LR showed me how to love life in ways I did not know one could.

-Carrie Powell, Class of 2000

# Lenoir-Rhyme throughout the decades

# Dedicated to Dr. Karen McDougal

Dr. McDougal has been a professor at Lenoir-Rhyne since 1984. Before her time at L-R, she received an AB in Biology from Vanderbilt University, then went on to earn a MS and Ph.D. at UNC in Botany. She did her dissertation work at UNC Chapel Hill on "flavonoids in Red Oaks and their geographic variation", graduating in 1984. She taught at LR as an adjunct assistant professor from 1984-1994, and an assist professor from 94-96. She was promoted to an Associate Professor in 1996, and a full Professor in 2000. She teaches Biology 105, the introduction course for new Biology majors with Dr. Scott, and the plant anatomy & physiology, and Genetics courses that are required of Biology Majors. She also teaches Bio 110 and Sci 300 which are general core courses. She has been very active on campus. She is probably best known as the one who formed and chairs the tree committee. She has also served on LR's Executive committee, Budget committee, and is now on Personnel and Status Committee. She has worked with numerous students on research projects, and serves as a formal and informal advisor to many biology and non biology students. Serving often as the unofficial "Mother Hen" of the department. She is known for her caring, generous nature, but also for her high standards and attention to detail. For her work and dedication to Lenoir-Rhyne College and its community, the 2002 HACAWA is dedicated to Dr. Karen McDougal.

*"Karen McDougal is a great colleague because she is both supportive of creative teaching and enthusiastic about biology."*

*Dr. John Bisbee,  
Professor of Biology*

# Events

Throughout the year, there are activities for students to allow them to let loose and have some fun outside of classes and work. Many of the activities are sponsored by Campus Activities Board who hosts movie nights, comedians, lectures, lawn parties, street fairs, Homecoming, laser tag, and many other things, all free of charge for students to enjoy. There are also other events such as the Visiting Writers Series, Playmakers performances, Prologue, Dance performances, and musical concerts.

# Commencement

## 2001

The 109th Commencement ceremony at Lenoir-Rhyne on May 12, 2001 said farewell to ??? seniors who began a new life after college. Along with our graduates, the Rev. Clifford Paul Fisher II, interim pastor of New Hope Lutheran church in Kannapolis, N.C.; Dr. John Edward Roueche, professor and director of the community college leadership program at The University of Texas at Austin; and the Rev. Gary Alan Weant, pastor of Philadelphia Evangelical Lutheran Church in Dallas, N.C., received honorary degrees during commencement exercises. Prior to the ceremony on May 12, the Baccalaureate Service was held on May 11 in the auditorium. A homily was given by Rev. Gary Weant, who also received a honorary Doctor of Divinity degree. The Commencement speaker was another recipient of a Doctor of Divinity, Dr. John Roueche from the University of Texas at Austin.

# Community Service

Each year, Lenoir-Rhyne recognizes individual students, organizations, and faculty/staff members who have given their time to better the community through service. This years recipients were Kieon McLemore, Zeta Tau Alpha, and Reverend Dr. William Seaman. Kieon is a Sports Management major from Richmond, VA. He volunteers with the HOST (Helping One Student to Succeed) program, which is a nationwide mentoring program. Kieon volunteers up to 20 hours a week at Longview Elementary School, and is a member of the Bears' football team. Zeta Tau Alpha works year round to help the Susan G. Komen Foundation in the fight against breast cancer. They collect money, hand out pamphlets, and make pink ribbons. They also make goody bags for cancer survivors at Catawba Memorial Hospital and volunteer time at cooperative Christian ministries. Rev. Dr. William Seaman volunteers his computer expertise in the community, and is the tech support person for Cooperative Christian Ministries and Central Latino. He is also a chaplain on call at Catawba Memorial Hospital and helped organize a blood drive for the L-R community, scheduled, coincidentally, for September 13th. There were also several members of the community who received awards from the Board of Trustees, including Bill Armstrong, who is a local car dealer and flies hospital transports in his free time.

## Awards

# Music ensembles perform at Bishop's installation

The A Cappella Choir and Brass Ensemble performed at the installation of the Rev. Mark S. Hanson as presiding bishop of the Evangelical Lutheran Church in America on Oct. 6, 2001. The ceremony, which featured musical selections by the two groups prior to the service and throughout the liturgy, took place at Rockefeller Memorial Chapel on the campus of the University of Chicago. Lenoir-Rhyne musical groups were the only college groups asked to perform at the installation out of all of the Lutheran colleges in the nation.

# Attack on America

## How it effects

On September 11, 2001, LR's campus was rocked to its core. The day began

like any other, students getting up and going to class, but what seemed like a peaceful day would not remain that way for long.

At 8:45AM the first commercial jet liner crashed into one of the World Trade

Centers. Students all across campus rushed to watch TVs all over campus as they watched in horror. "I couldn't believe it, as I watched New York turn into a terror zone," said Moira Gannon. This seemed to be the impression of many people on the campus. With Lenoir-Rhyne being such a diverse campus, many students were from or knew people that are from the NYC and DC area. As the events continued to unfold the campus realized the immediate

needs of the students and held a prayer service at 4PM in Shaw Plaza. The campus community later saw the need for a dialogue to happen about the events, and held two convocations; one by Dr. Lowell Ashman and the other as a panel discussion with Dr. Yoder, Dr., Ashman, Dr. Judkins, and President LaHurd. As anger turned to questioning students began to see that although they were not directly affected we as a nation were. "The only thing we as a country can do is bind together and love each other like there is no tomorrow." Kat Costas has an excellent way to put the sentiment of this campus. We did bind together, we will rise from this, and 9-11 will live on in LR's history for infamy.

*Special Convos for the tragedy* Dr. Lowell Ashman conducted a special convo on terrorism to inform students of the various degrees and history of terrorism.

**Prayer Service held for student Body** At 4pm on 9-11 the Lenoir-Rhyne community held a prayer service for students, which was lead by Campus Pastor Andrew Weisner. Many people from the community, faculty, staff, students, and Hickory residents attended the service.

"For me, the tragedy really hit home because as a child, I can remember going into New York and always watching the skyline, the World Trade Towers sparkling in the distance. Now when I return, it would all be different."

-Moriah Gardner

"I agree that we only have one life, and we only have one chance to live it. I believe that we are all here for a purpose, and we should live our lives to the fullest. I believe that we should all live our lives to the fullest, and we should all live our lives to the fullest."

## College Celebrates 110th Academic Year

Lenoir-Rhyne College celebrated it's 110th academic year this year. The photo above shows the campus as it was before the Rhyne building was constructed. The building in the center of the photo was the old Yoder building. To the right is a picture of Old Main which was destroyed by fire on January 6, 1927. The original part of the Library is seen below which was erected in 1941 and is celebrating it's 60th anniversary this year.

## Anniversary Celebrations

the 110th year

*Sports hold long standing tradition* Seen here is a picture of the baseball team in 1976. The baseball team is celebrating it's 100th anniversary this year. The soccer team also holds a longstanding tradition on this campus as well. The soccer team will be celebrating it's 25th anniversary this year.

*Organizations on Campus add tradition* Clubs celebrating anniversaries this year are the Playmakers with 75 years of acting tradition on this campus. This year they performed Shakespear's *MacBeth*, and 3 years ago performed "Once Upon a Mattress" a fairy tale about a prince and a princess. Phi Beta Lambda is also celebrating 25 years of giving students the opportunity to achieve business enrichment outside of the class room. The picture above shows the group attending a conference . Phi Beta Lambda has won many awards for academic excellence.

*Over 100 years of academic excellence* One of the oldest departments on this campus is the business department which was started in 1901. This is one of the first pictures of students in the School of Business. The nursing department also celebrates its 40th anniversary this year. Political Science also has an anniversary this year celebrating 30 years of academic excellence.

# Collegiate Challenge

Collegiate Challenge offers student volunteers from Lenoir-Rhyne Hickory chapter of Habitat for Humanity to go beyond their local surroundings to help bring the great things that Habitat for Humanity does to families around the nation. Every year, students from Habitat groups nationwide travel to different locations to assist in building more houses. They travel in week long shifts, during their spring break, and work nonstop that week to get their projects done. Not only is this a great way to get the students outside and working, but it helps needy families build a house they could not otherwise afford.

# Athletics

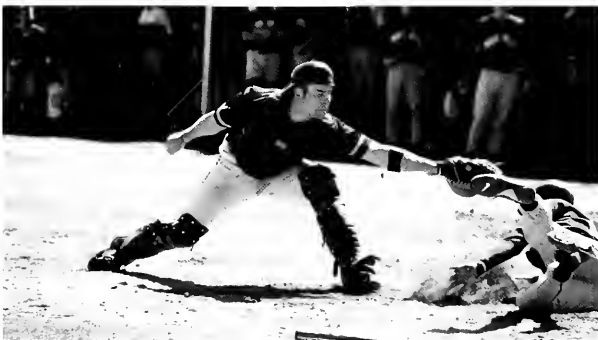

The college's intercollegiate teams compete in Division II of the NCAA and in the South Atlantic Conference, one of the hardest conferences in Division II. Varsity teams include Men's football, basketball, baseball, soccer, golf, cross-country, and cheerleading; and Women's basketball, soccer, cross-country, fast-pitch softball, cheerleading, golf and volleyball. The L-R teams have had a year full of celebration and victory. The baseball team celebrated its 110th anniversary and won the SAC Conference title, and the women's softball team won the Conference title for the second year in a row. While the soccer team looked to rebuild after losing many important players, they celebrated their 25th year of play at Lenoir-Rhyne. Under a new coaching staff, the women's basketball team opened their season with the best record in 21 years. Many Lenoir-Rhyne players are named to regional teams for recognition of their excellent athletic ability.

# Baseball

## 2001

The Bears baseball team finished the season with the first South Atlantic Conference victory in 48 years, and traveled to the Division II South Region Tournament. They were ranked 24th at the end of the season and finished with a record of 33-18 overall and 15-5 in the SAC. Four Bear players, Craig Sizemore, Chip Bradford, Israel Campbell, and Will Combs were named to the All-Region Team. Craig Sizemore, along with Dustin Day were also named to the All-Region Tournament team. Together as a team, the Bears had the best season in 48 years and celebrated 110 years of Bears Baseball. ## Softball 2001

The Lady Bears won the South Atlantic Conference Tournament for a second consecutive year. Led by Coach Shena Bowman and players Natasha Crouse, Brandi Mueller, and Audrey Kreske, the whole team unified to win back to back tournaments. They finished the season with a record of 32-21 and hope to have another successful season next year, and we hope a third championship!

# Men's

# Soccer

The Men's soccer team ended a disappointing year with a record of 5-13-0 overall, and 1-6-0 in the South Atlantic Conference. Led by top players Cory Morgan, Bobby Cummings, and David Sergeant, the Bears hoped to improve on their record from last year and their championship, but instead, it became a rebuilding year. With many young players, the team hopes to rebuild and put themselves back in contention for the conference title next year with a new coach and a fresh, young team.

# Women's Soccer

The Women's soccer team finished the season with a record of 8-10-1 overall, and 4-3-0 in the South Atlantic Conference. Led by captains Sheila Murphy, Erica Clontz, and Samantha Erbaugh, the Bears lost some powerful players, but also took in a lot of young players and look to improve upon their record in the next few years. With a new style of play, they hope to get back into contention for the SAC Conference championship in the coming years.

# Women's Volleyball

The Bears Volleyball team finished another winning season with a record of 17-13 overall and 8-6 in the South Atlantic Conference. Under captains Cassandra Temple and Michelle Baity, the Bears had a strong season with many young players returning next year. Senoir Michelle Baity was chosen for the All-SAC first team all four years she has played. Baity currently holds 12 school records. She holds all the kill records at Lenoir-Rhyne, including in a season (629) and in a career (1,626). Baity has recorded the highest hitting percentage in a season (.399) and in a career (.367). She was also named female athlete-of-the-year at Lenoir-Rhyne College. Other team leaders include Cassandra Stemple who also holds school records in setting assists and service aces. The Bears took their game across the Atlantic this year by traveling to Germany and the Czech Republic for 5 preseason games against international teams.

# Bears Football

The Bears football team finished their season with a record of 3-7 overall, and 2-5 in the South Atlantic Conference. Jameil Surratt led the team in scoring with 10 touchdowns and William McMillan led the defense with 55 solo tackles and 40 assists. With several young team leaders and under the direction of a new coach next year, the Bears look to improve on that record next season.

# Cross Country

The Lenoir-Rhyne Cross Country teams showed strong talent this year, especially the Women, in a successful season with top 5 finishes in every race. Led by junior Erin Coulter, the women consistently placed near the top of the field during their races every weekend. Both the men and the women opened their season at Appalachian State in a meet where they were the only Division II team present. They ran among top powerhouses such as Florida State, Wake Forest, and Clemson.

# Cheerleading

Cheerleading at Lenoir- Rhyne is a sport just as much as football or basketball. The LRC Cheerleading squad has recently gone from a co-ed stunting squad to an all girls squad. They cheer for games like football and basketball, but they incorporate dance, gymnastics, and cheerleading all into their moves. This squad certainly knows how to lift the spirit and pride of LRC!

The 2001-2002 LRC Cheerleading squad

"I have been a varsity cheerleader here at L-R for the past four years, it has been a wonderful experience and I am sad to see it go, however, I am ready to move on." Senior,  
Susan Stephens

"This is my first year cheering for L-R, and it has been a great experience. You girls are great and thanks for all the wonderful times." Sophomore,  
Ashleigh Chapman

# *Greek Organizations*

Lenoir-Rhyne College is home to seven Greek organizations; four sororities, Delta Zeta, Kappa Delta, Sigma Kappa, and Zeta Tau Alpha, and three fraternities, Pi Kappa Phi, Theta Chi, and Theta Xi. Members of these Greek organizations participate in activities that enrich their lives and the communities around them by participating in their community service work in their philanthropies. Some of these philanthropies include Locks of Love, Habitat for Humanity, March of Dimes, PUSH America, the Red Cross, and the Girl Scouts of America. Along with their community service and achievement in the classroom, Greek life is a great way to make life long friends and kick back on the weekends at mixers or socials.

# Awards

Each year, the Greek organizations get together to celebrate their scholarship and service with the Ellis Boatman Greek Awards. This year was the 35th year that the Greek organizations have had the award ceremony. They were awarded for their work with volunteer organizations both on and off campus, their athletic achievements, and their excellent performance in the classroom. The sorority of the year was Sigma Kappa and Pi Kappa Phi took home the Fraternity of the year award. Congratulations to all who work so hard to contribute to their community and better their lives and the lives of people around them.

# Fraternity of the Year

## Pi Kappa Phi

Pi Kappa Phi is one of three fraternities at Lenoir-Rhyne College. Their fraternity was founded on December 10, 1904 in Charleston, SC. The Epsilon Rho chapter here at Lenoir-Rhyne was created on December 3, 1983. They were awarded the Fraternity of the Year award in 2001. This award takes into account many things, including grades, involvement in the community, and our national outreach project, PUSH America. They have the highest GPA among the fraternities and are the second largest in size. They have worked hard to earn high grades and are always striving to push for more excellence. They also received The Bronze Award from their national fraternity for raising nearly \$3,000 in one year to benefit the severely handicapped through PUSH. Pi Kappa Phi is an experience and brotherhood like no other. The members of Pi Kappa Phi walk away from this school prepared for life because of what they have learned with the brotherhood. *Once a Pi Kapp, always a Pi Kapp.* In school and in their lives, they perform in a manner because they not only believe, but they *achieve*.

# Sorority of the Year Sigma Kappa

Sigma Kappa is one of four national sororities at Lenoir-Rhyne College. Their sorority was founded on November 9, 1874 in Waterville, ME. The Epsilon Alpha chapter here at Lenoir-Rhyne was created on February 24, 1962. They were awarded Sorority of the Year for the fourth year in a row in 2001. This award takes into consideration grades, community involvement, and philanthropy involvement. Sigma Kappa has consistently maintained the highest GPA on campus for the past five years, includes sisters in almost every major and organization on campus, and is the largest in size. For 126 years, Sigma Kappa has maintained and encouraged a strong standard of excellence across the nation. One of the purposes of Sigma Kappa is to unite its members in a sincere bond of sisterhood and friendship. Epsilon Alpha strives to hold true the values and standards of Sigma Kappa. With many social activities, programs to achieve academic excellence, philanthropic endeavors, and an active sisterhood that forms bonds that last a lifetime, Sigma Kappa can become a "home away from home" and offers friendship, companionship, scholastic assistance, leadership opportunities, meaning in your college associations and a firm foundation for all your days.

# Greek Organizations... ΣΚΔΖΤΑ

## Rho Chi

Rho Chi members are sorority members who give up their sorority for the majority of the year and serve as Recruitment counselors to potential members going through spring recruitment. They are there to offer advice and guidance to the women going through the recruitment experience.

## Members

Emily Cobble, Cindy Hale, Lynnae Mathia, Laura Coker, Amber Beal, Katie Kaminska, Kristin Neeley, Beth Seagle, Erica Clontz, JoAnna Novak, Allison Cherry

## Panhellenic

The Panhellenic Council seeks to maintain a high standard of sorority life and intersorority relations and compiles rules governing formal recruitment, pledging, and initiation practices of the Greek organizations. There are two representatives from each sorority on the Council.

Sigma Kappa was founded at Colby College on November 9, 1874. The Epsilon Alpha chapter here at Lenoir-Rhyne was established on February 24, 1962. Sigma Kappa's national philanthropies are gerontology, Alzheimer's disease, Inherit the Earth, and the Maine Seacoast Missionary Society. The sisters here at Lenoir-Rhyne also have local philanthropies to continue their work and make an impact in the local area. They work to bring their national philanthropies to a local level by visiting Alzheimer units and working with Lutherhaus and the Lutheran Home. Other local philanthropies include Project HEART and Locks of Love, which makes wigs for children with cancer. Its colors are lavender and maroon, its jewel is the pearl, and its flower is the violet. Some famous Sigma Kappas include: Susan Johne, Senator; Judith Guest La Vercombe, author; Lauren Roman, actress; Rhea Seddon, mission specialist for NASA; and Ashley Welkos, actress.

# Academics

Most people remember college by the football games, parties, and student events they attended on the weekends, but the reason we are all here is to learn. Without our education we could not achieve the goals we all strive to reach in life. The academics at Lenoir-Rhyne offer us an abundance of opportunities both inside and outside of the classroom. With over sixty degrees available, L-R offers students a chance to expand their horizons by combining the liberal arts with professional skills that are sought after by employers after students graduate. Outside of the classroom there are clubs and honorary societies for certain fields of study. With an excellent student to faculty ratio, each student is offered special individual attention that isn't present at every school. Together the students and faculty create an exciting atmosphere for learning.

# President Ryan A. LaHurd

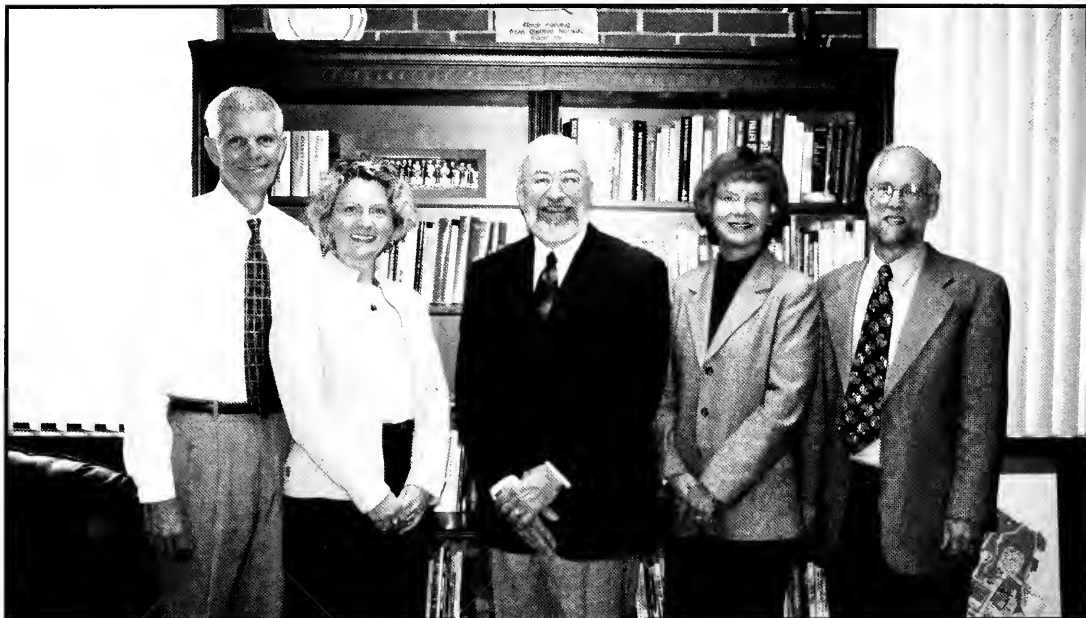

Dr. Ryan LaHurd came to Lenoir-Rhyne in 1994 as the college's 10th president. He previously served as vice president for academic affairs and dean of the college at Augsburg College in Minneapolis since 1985. Prior to that appointment, he was associate professor of English and chair of the department at Thiel College, Greenville, Pa. from 1977 to 1985 and assistant professor of English and Chair of the Department at Allentown College, in Center Valley, 1973-77. He has also completed post-doctoral study at Rensselaer Polytechnic Institute and the Institute for Educational Management at Harvard University.

He has been a frequent speaker and writer on issues related to politics, history and culture of the Middle East and has received three Fulbright Fellowships, including one in Yemen and one in Syria. He is a Rotarian and is a member of the Board of Division for Higher Education and Schools for the Evangelical Lutheran Church in America. He has also served as president of the Association of Lutherans of Arab and Middle Eastern Heritage of the ELCA. He is a Director of the Lutheran Theological Seminary in Gettysburg, Pa. and publication editor of the Study Commission on Issues of Peace and War for the Lutheran Church in America.

He is married to Dr. Carol Schersten LaHurd, a theology professor, and is the father of two children. His interests include running, skiing, biking and gourmet cooking.

# Vice President's of Lenoir-Rhyne

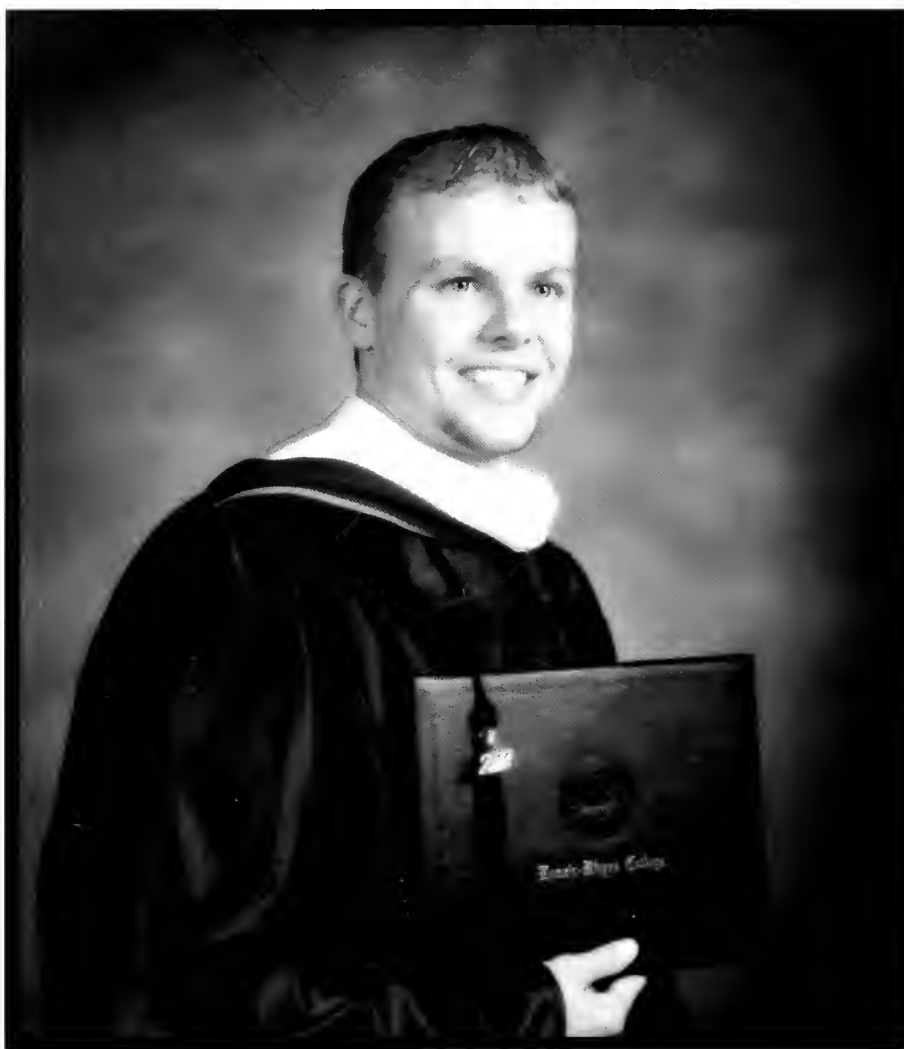

*(L-R) Skip Dulstine, VP for Administration and Finance; Teri Lemons, VP for Institutional Advancement; President LaHurd; Anita Johnson Gwin, VP for Student Affairs and Dean of Students; Wayne Powell, VP and Dean of Academic Affairs*

The four Vice Presidents at Lenoir-Rhyne oversee the main departments of the college, Administration and Finance, Institutional Advancement, Student Affairs, and Academic Affairs, and they also are members of the Presidents Cabinet.

# Best All-Around Senior Male

Terry Donaher is a Communications major from Harrisburg, Pennsylvania. He is a member of Pi Kappa Phi, where he has held several leadership positions including Archon. Terry has also been involved with Student Government Association as Chief Justice during his junior year. He is an Admissions Ambassador, and is also a Dagger Man for Kappa Delta sorority. He also held the position as a RA in Fritz-Conrad for 2 years. He also works in athletics in several different ways, including line judging for women's volleyball. Terry was a nominee for Homecoming King in 2001 and has been actively involved in Campus Activities Board. He has also worked with the Lenoir-Rhyne and served as a Prologue leader.

# Best All-Around Senior Female

Sarah Jane Milheim is a Religious Studies major from Charlotte, NC. She has been involved with Delta Zeta sorority and is the Rose Queen for Pi Kappa Phi. She has given a lot of her time to Circle K, a community service organization, and has also been involved with Campus Activities Board. She has served as a Prologue leader and was also on the Queens Court for Homecoming 2001.

# L-R Students

## Study Abroad

At L-R, every student has an opportunity to study abroad and many do take full advantage of this experience. Students who have a chance to participate in another culture with first hand experience learn more about themselves and the culture than they would have if they had stayed at home. Students have the possibilities of taking a summer, semester or even year abroad if wished. This experience abroad can change a student's life and it will, because they have learned so much about that culture and themselves than they ever could have imagined. Students who participate in this usually have a much deeper knowledge about the world in which they live in, enhance their communication skills between people of different cultures as well as their own, create exciting distinctions on their resumes, and offer more to an employer than a normal student would normally have. Students at L-R have the possibility of participating in one of the summer sessions in Ecuador; Central College with Choices of Australia, Great Britain, France, Mexico, the Netherlands, or Spain; Arcadia University in the United Kingdom, Australia, Austria, Ireland, Greece, and Mexico; International University Studies in Spain, Institute of American Universities in France, Millersville University at Marburg University in Germany, University of Evansville's Harlaxton Program, Moscow University of Consumer Cooperatives in Russia, and Wake Forest University/SASASAAS. From the different schools, students tend to learn more about the culture and themselves from just by visiting and participating in events and not only in the classrooms in which they sit to learn.

# Who's Who

Who's Who in American College's and Universities is a nation wide program to recognize excellence in college seniors. The students who have been chosen at Lenoir-Rhyne have been chosen by their peers as stellar students and members of the Lenoir-Rhyne community. These students display such qualities as leadership, a strong will to succeed, and a desire to better themselves in everything that they do. They are also students who serve their community through volunteer work and excel academically.

The School of Business offers seven majors, Business Administration, Accounting, Finance, International Business, Management, Business Education, and Marketing. The mission of the LRC School of Business is to provide current and practical knowledge that will prepare students for a successful business career. Based on a solid foundation in the liberal arts, the school fosters creative, critical thinking while promoting interpersonal and team skills needed in a diverse and global work environment. The Business Department incorporates the use of state-of-the-art technology while encouraging students to make ethical decisions. Members of the faculty offer dedicated instruction and advisement at both the undergraduate and graduate levels of study. Lenoir-Rhyne students, comprising an active chapter of Phi Beta Lambda Business Association, consistently receive state and national honors through competition with students from other colleges and universities. Phi Beta Lambda offers a beneficial opportunity for students to network with leaders in the local business community.

# Social & Behavioral Science

The social and behavioral sciences are concerned with human thought and behavior as well as social institutions. They share the common assumption that social behavior can be studied scientifically. Students in these majors often go on to graduate school but many also seek employment immediately upon graduation in business, international affairs, politics, human service, clinical or school psychology, church work, counseling, social research, criminology, and community planning, among other things.

Math and computer science at Lenoir-Rhyne College is made up of strong and experienced faculty, technologically up-to-date facilities, and bright, committed students. The combination of these three factors make our programs strong, focused and, at the same time, a whole lot of fun.

We believe that the best way to learn is by doing. You'll see this belief applied throughout specializations within each program. By digging right in, our students learn to apply the theories they have learned in class to real-life situations. This tactic prepares them for the challenges of the working world and helps to secure their success no matter where they go.

The mission of the teacher education program at Lenoir-Rhyne College is to prepare teachers who know their content, know how to teach, are successful with a diverse population, are leaders, are reflective about their practice for effective change, and are respectful and caring. Given its Christian foundation and the personal, nurturing contact provided students, a hallmark of the teacher education program at Lenoir-Rhyne College is the preparation of reflective practitioners who are caring professionals. It is our sincere desire to send professionals into school environments who know children and youth and can therefore be nurturing of their needs in order to support learning.

Our programs in French, German and Spanish are designed to provide students with appropriate linguistic skills, to develop a knowledge and sympathetic understanding of cultural differences, and to inform them of the civilization, culture, literature, and other social and artistic achievements of the respective countries. The programs are flexible enough to accommodate students seeking a B. A. degree in a modern language with or without teacher licensure, a degree in International business, a double major, a General Studies major in Comparative Literature (in conjunction with the School of English, Communication and Theater), or simply a minor in a modern language. The interdisciplinary program in Classics provides meaningful combinations of courses that lead to teacher licensure in Latin, and prepares students for graduate school and pre-theological training.

# Expansion at Lenoir-Rhyne

## The Living Learning Center

The newest residence hall at Lenoir-Rhyne, the Living Learning Center opened its doors for the first time this fall housing over 100 upperclassmen. The building features apartment style living, with a kitchen, bathroom and living room for every four residents. There is also a conference room, a lounge on every hall, and an apartment to house a faculty in residence. This year, Drs. Karen and Jody Dill live in the apartment and are there to bring a new face to faculty, outside of the classroom.

# *The McCrorie Center*

The McCrorie Center, expected to be completed by fall 2002, will house the college's health science programs: nursing, occupational therapy and sports medicine. It will also include expanded locker, equipment, training and office areas for L-R's football and sports medicine programs. The McCrorie Center will connect to the existing Moretz Gymnasium and will include 47,000 square feet of space. Among its many features, the new building will provide updated teaching facilities and expanded capacity for the nursing program, which will help Lenoir-Rhyne College address the statewide and nationwide nursing shortage.

# *Students and Faculty* *strive for achievement*

## **Computer students place well in competition**

On November 3rd, 2001 a LRC Computer Programming Team consisting of, Amanda Burke, Colleen Cox, Kim Spencer, and Josh Strickland proceeded to place 5th out of 23 teams at the 8th Annual Programming Contest. As well as this team, a second team, consisting of Charlie Cox, Bret Rafferty, and Susan Stinson, finished 12th in the same competition. This contest was held at the South-Eastern Regional Conference, which was located in Nashville, TN, at the Lipscomb University. Congratulations to these two teams for their achievements

### *LR Student Brooke Schrum*

has been awarded a externship at Duke University. She will be able to spend this summer 2002 with the Medical facilities there.

### *Professor Teaches at Harlaxton*

Dr. Russel Benton had the opportunity to teach at Harlaxton in Fall of 2001. He feels that "the experience gave him the opportunity to not only teach abroad once more, but likewise the opportunity to travel to such interesting places as Ireland, Romania, Belgium, Germany and Denmark." He also says that he values the entire experience and L-R's special relationship with the University of Evansville.

### *Fulbright Scholar*

#### *Returns to Campus*

Dr. Cheek has returned back from his visit to Yerevan State Conservatory in Ameria. He taught and performed American Twentieth-Century piano music there during summer 2001.

### *Dr. Beidler Presents Papers*

Dr. Beidler participated in the Lutheran Academy seminar at Harvard University in July 2002. He has also attended the Vocation of a Lutheran College conference at Valparaiso University in August 2001. Dr. Beidler has also proceeded to present several of his papers to various conventions and meetings, including "Holes and Repetitions: Deconstruction, Religion, and Chaucer's Millers Tale," at the South East Medieval Association meeting in New Orleans, October 2001. Also, in December 2001, he presented "Teaching Writing by Teaching Everything But Writing" during the Modern Languages Association convention in New Orleans. Keep up the great work!

### *Dr. Brandes writes books*

Dr. Brandes has had some great accomplishments over the past year. He has published two books over the past year: "Ted Hughes' Crow", in a Companion to Twentieth Century Poetry in English as well as "Photographer of Lightning, Translations from the Romanian Poetry of Nicolae Dabija." Dr. Brandes has also proceeded to be a lecturer at the WB Yeats International Summer School, in Ireland, over the summer of 2001.

### *Dr. Dill Continues to Succeed*

Dr. Karen Dill continues to go on in success with her works. This past summer, in August, she presented an invited address at the American Psychological Association, in San Francisco, CA. The title of the presentation, co-authored by fellow LR faculty Dr. Bill Riecher and Dr. Jody Dill as well as Dr. Douglas Gentile, was "Violence, Race, Sex and Age in video games : A Content Analysis. Dr. Dill has also been interviewed by the Japanese broadcasting company (NHK) as part of a documentary on kids' toys, as well as being interviewed on campus for part of a video on research methods in psychology. She has also spoken to several area schools about media violence and has been interviewed by the local press on these subjects. Congratulations to Dr. Dill for all her success and we hope that she continues to strive.

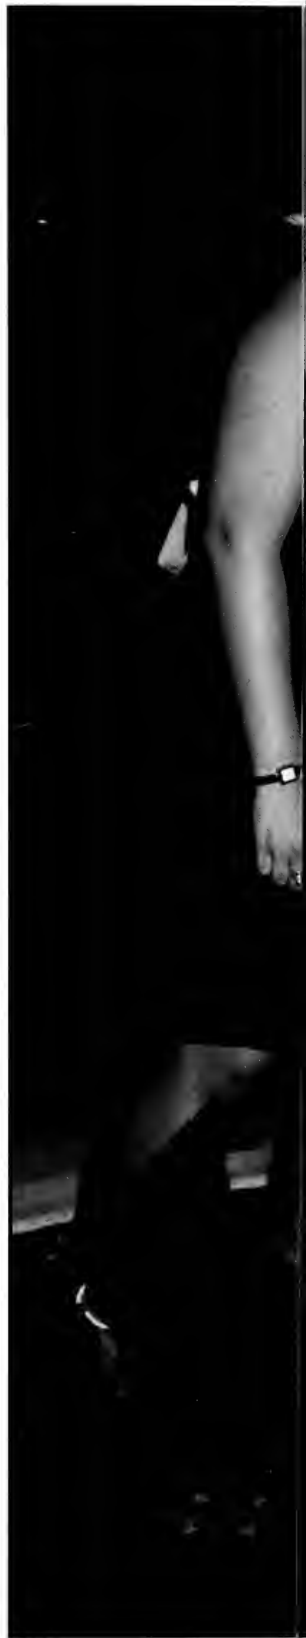

*I would first like to thank the people who have helped in the publication of this yearbook. The advisor, Dr. Paul Beidler and Susan Jackson. I would also like to thank Nancy Lemaire, Becky Sharpe, Anita Johnson Gwin, and all others who have helped out in many different ways in putting together this book. The support I have received from the L-R community in putting this together has been great.*

*The tragic events that have happened this year have caused us all to stop and think about our lives and what we do to be a part of the community around us locally and worldwide. Our perception of the world has been drastically changed; our security was compromised. Questions that we never thought we would have to answer were asked, and grief that we never thought we would experience, we suffered through. Our vision of heroes was redefined, and our nation came together in a way that we had never seen before. Suddenly, lines of division were erased, and for once, everyone was an American.*

*The war on terrorism that followed is another tragic event, but one that Americans felt must be fought. With no guarantee that we will achieve any victory over terrorists worldwide, the U.S. and her allies are working together to stamp out the terrorist organizations that give insecurity and fear to the people of the world. Hopefully in time, people everywhere will be able to walk freely without fear of being attacked for their religious beliefs, race, or nationality.*

*As we move on with our lives, we need to remember to cherish the things that really matter, family, friends, and living life to its fullest potential.*

This section of the book is designed to introduce various members of the campus. The people in this section offer a glimpse into what make the LR campus so diverse and interesting and a rich learning environment. The individuals selected are from various groups on campus, different states, and different family backgrounds, but they can all come together everyday to compose the diverse community that is our campus. So it is with our pleasure that the 2002 HACAWA presents *Meet-A-Bear* 2002

## Lenoir-Rhyne bids farewell to its 10th President

*"I am pleased about what Lenoir-Rhyne College has accomplished during my tenure as its leader...This is, therefore a good time for the College to select a new leader to take Lenoir-Rhyne to its next stage of development."*

*- President Ryan A. LaHurd*

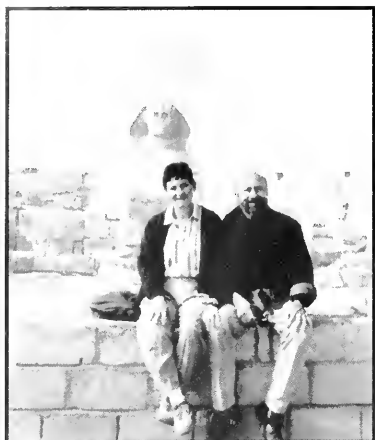

Dr. Ryan A. LaHurd has served the Lenoir-Rhyne community as President since 1994. He will be moving on to New York City to serve as the executive director of the Near East Foundation. It was a sad time for Lenoir-Rhyne to say good-bye to such a great President who has done so much for L-R. During his time here, President LaHurd oversaw the development of a strategic plan for the College. He has also increased the number of alumni giving to 27 percent, the highest it has ever been. The college also had a record fundraising year in 2000-2001, raising \$7.1 million. The college's endowment also grew during LaHurd's time at L-R; it went from \$22.8 million to \$42.7 in 2000-2001.

Early in his time here, President LaHurd oversaw the completion of a new Alumni House, and Admission and Financial Aid building. He also saw to it that every student, faculty, and staff member had access to the internet, and new student computer labs were completed. He also directed the renovation of Minges Science building, and the complete renovation of Morgan Residence Hall. As well as renovating existing buildings, LaHurd has directed the building of two new buildings; the \$4.9 million Living-Learning Center, an apartment style residence hall, and the \$9.8 million McCrorie Center, a new health sciences building.

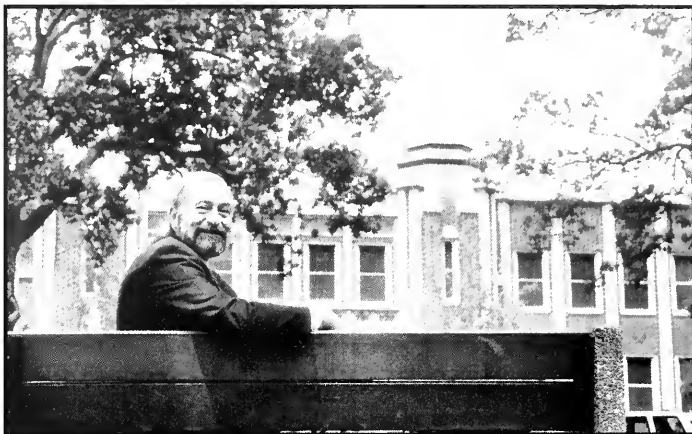

President LaHurd was also a big part of the creation of a partnership between Lenoir-Rhyne, Appalachian State University, and Catawba Valley Community College to form the Hickory Metro Higher Education Center.

LaHurd's presence on campus will truly be missed, but the things he has accomplished during his time here will last for decades, helping future students make the best of their experience and education here at Lenoir-Rhyne.
